# MCC Membership Survey for Calendar Year 2022

Respondents and Membership
Survey Responses

In late 2022 Club members were asked to respond to a survey about their membership over the last 12 months. The purpose of the survey was for the Board to ascertain what is working and what is not working within the Club, and to feed into a strategic planning session to be held in early 2023. This table and chart indicates the response rate to the survey.
